ShopAssist — Shipping and Delivery Policy

Document Version: 1.0
Company: ShopAssist (Demo E-Commerce Company)
Policy Type: Shipping, Delivery and Order Tracking

1. Standard Shipping

Standard shipping generally takes **4–6 business days** after an order has been dispatched.

Delivery time may vary depending on the customer's location, courier availability, and operational conditions.

2. Express Shipping

Express shipping generally takes **1–2 business days** after dispatch in eligible locations.

Express delivery is available only for selected products and serviceable postal codes.

3. Shipping Charges

ShopAssist provides **free standard shipping for orders above INR 999**.

Orders of INR 999 or less may be subject to a standard shipping fee of INR 49.

Express shipping costs INR 99 where available.

Shipping charges are displayed during checkout before payment confirmation.

4. Order Processing

Orders are normally processed within **1–2 business days** after successful payment confirmation.

Orders placed on public holidays or non-working days may be processed on the next business day.

5. Order Tracking

Customers receive tracking information after their order has been dispatched.

Tracking details may include the courier company, tracking number, and estimated delivery date.

Customers may contact support if their tracking information has not been updated for more than 48 hours.

6. Delivery Delays

Delivery may be delayed due to weather conditions, courier disruptions, natural disasters, high order volumes, or incorrect shipping information.

Estimated delivery dates are not guaranteed.

7. Failed Delivery Attempts

If a delivery attempt fails because the customer is unavailable, the courier may attempt delivery again according to its operating procedures.

Customers should ensure that their shipping address and contact details are correct.

8. International Shipping

ShopAssist currently supports domestic deliveries within India only.

International shipping is not available under this demo policy.

9. Lost Packages

Customers who believe their package has been lost should contact customer support with their order ID and tracking number.

The support team will investigate the issue with the courier partner.
